SUN LINK TUCSON STREETCAR ACCESS TO PENNINGTON STREET PROHIBITED

Beginning on Monday, June 17, 2013, access to West Pennington Street from eastbound Congress Street/Broadway will be prohibited to allow work crews to reconstruct the roadway in preparation for new asphalt. Access to West Pennington Street from westbound Congress will be allowed. The left turn restriction to West Pennington Street from Congress/Broadway will be in place for approximately two weeks.

Access to the south side of City Hall, West Pennington Street, Pima County Administration and the Pima County Court Complex parking garages can be accessed by westbound Congress Street only.

A map with detour directions can be found at
<http://cms3.tucsonaz.gov/files/mediarelease/PRModernStreetcarPenningtonDetourMap061413.pdf>

During this work, eastbound Broadway traffic will be shifted to the south side of the roadway. At least one eastbound Broadway travel lane will be maintained at all times. All through and turn movements will be maintained at the intersection of Granada Avenue and Congress Street/Broadway.

Travelers to downtown during construction are also reminded that there is pedestrian access to all businesses and venues and that there are 15,000 parking spots in the area. A map of downtown parking information can be found by visiting www.tucsonstreetcar.com/documents/DowntownParking_0113.pdf

For more information, please visit www.tucsonstreetcar.com to subscribe to email updates, visit the project Facebook page, and sign up for Twitter, or call the information line at (520) 624 -5656.

The Tucson Sun Link Tucson Streetcar is a project of the Regional Transportation Authority (RTA) and part of the voter-approved, \$2.1 billion RTA plan that will be implemented through 2026. Details about the full plan are available at www.RTAmobility.com. The Sun Link project is co-managed by the City of Tucson and the RTA.
